Garlic Bread with Cheese (full Ciabatta) £2.25	<input type="checkbox"/>		

*When your meals are delivered they will be frozen. They should take about 20 hours to defrost in a fridge or less if you leave them out. When cooking your meals take out from the freezer the ones for the next day so they will be ready. The meals will cook from frozen by adding 10 minutes to the cooking times but we do not recommend this at all.*
